Bicycle accessory lockers are available at the Bainbridge Island Bike Barn.

This document constitutes the entire agreement and execution of it means that you the applicant acknowledge, have read and agree to these terms and conditions:

Kitsap Transit has made available bicycle accessory lockers at the Bainbridge Island Bike Barn for the sole purpose of assisting daily commuters who use a bicycle as part of their transportation plan to and from work.

Bicycle commuters who are approved for use of a locker will retain the use of the locker for an indefinite time period provided there have been no violations of this agreement and the annual renewal is completed. These lockers are provided on a first-come, first-served basis and are intended for and available only to commuters over the age of 18 who regularly and consistently (three or more days in aggregate per week) commute in part by bicycle. The undersigned represents that they are indeed a bicycle commuter and the locker will only be used for storage of bicycle and commuting accessories (shoes, helmets, locks, bags, jackets and etc...).

The following items may not be stored in a Kitsap Transit bicycle accessory locker at any time: cycle parts that contain any type of combustion type engine or motor; combustible materials of any type; storage on non-bicycle/commute related materials. The locker shall not be used in, or in any connection with, any activity prohibited by law. The applicant waives any claim to the right of privacy, expressly consenting to allow Kitsap Transit or its agents to open and inspect the locker and its contents thereof at any time without prior notice. Such inspections may occur in the event of an emergency, a reasonable belief that a health or safety hazard exists, and if or when a reasonable belief that any of the terms and conditions of this agreement have been or are being violated.

Kitsap Transit assumes no liability and is not responsible for fire, theft, loss or damage to the contents of the bicycle accessory locker. The undersigned applicant indemnifies and holds Kitsap Transit harmless, as well as its Directors, Officers, agents, representative and employees from any and all liability of any nature arising from the use of the locker.

Renewals will be sent to the email address listed on this application. It is the responsibility of the applicant to notify Kitsap Transit of an email, phone or address change as soon as possible. Renewals are sent out in January. It is the applicant’s responsibility to watch for this communication and respond within the deadline requested. Failure to renew the “Agreement” will result in a forfeiture of the deposit, cancellation of the locker use and potential delivery of contents from the locker to the Kitsap Transit Customer Service Office (Lost and Found) in Bremerton.

A security and lock deposit of \$25 is required at the time the application is approved. A Kitsap Transit representative will contact you with approval and ways to submit the deposit. There is no monthly rental fee. Kitsap Transit reserves the right to change this policy at any time with ample notice to the applicant. Any expenditures related to the locker may be deducted from the deposit should the following services be necessary. Deductions are itemized below but are not limited to the following list of possible expenses. Should deductions be necessary, any remaining deposit will be refunded by check when the locker is vacated and the key/lock is returned to Kitsap Transit.

Schedule of possible costs:

- Clean up due to poor maintenance of applicant - \$10 per hour
- Locker damage repair (caused by applicant) - \$10 per hour
- Lock replacement - \$15 each

This agreement may be terminated by the applicant at any time with written notice and surrender of key or lock issued by Kitsap Transit. Violations of any terms of this agreement will result in Kitsap Transit terminating this agreement immediately at which time the applicant will have 30 days to reclaim property removed from the locker. After this, Kitsap Transit shall dispose of the applicant’s unclaimed property. Kitsap Transit has no duty or responsibility to care for, safeguard or maintain the removed property for the benefit of the tenant and upon disposal has no obligation to notify the applicant. Any funds received from the disposition shall remain with Kitsap Transit. Lockers secured with a lock that was not issued by Kitsap Transit will be emptied and items forfeited and processed as unclaimed property as described above.

All terms and conditions governing bicycle accessory locker usage are contained herein, and applicants will be notified in writing of any changes in policies or information required to retain the usage of the bicycle accessory lockers.

Actual execution of this agreement will occur when Kitsap Transit accepts the application, assigns a locker and deposit is received by the applicant. Locker assignments may be delayed if there is a waiting list and the applicant will be notified of this delay. The application, along with the terms and conditions of this agreement will remain in force until the applicant or Kitsap Transit terminates the agreement in writing.

I agree to the statements above.
