BREMERTON – Bus service to Southworth Ferry Terminal will be adjusted starting on Monday, March 8, in preparation for Kitsap Transit’s future fast-ferry service between Southworth and downtown Seattle.

The terminal’s parking lot was restriped recently to designate a bus staging area for drop-off and pick-up and revise road markings to indicate how traffic must enter and exit the lot. The changes to bus service will support the Southworth Fast Ferry; Kitsap Transit anticipates announcing a fast-ferry launch date soon.

Trips have been added to Routes 85-Mullenix Express and 86-Southworth Shuttle. A new Route 184 will operate shuttle service during commute hours between the Harper Church Park & Ride and Southworth Ferry Terminal. Visit KitsapTransit.com to see the new schedules and maps.
